

0240.02 Executive branch coordination and response  
Issued January 1, 1994

SUBJECT: Executive branch coordination and response.

APPLICATION: Executive Branch Departments and Sub-units.

PURPOSE: To ensure proper action in the event of an emergency/disaster situation.

CONTACT AGENCY: Department of State Police (DSP) - Emergency Management Division (EMD).

TELEPHONE: 517/373-6271

FAX: 517/482-7914

SUMMARY: The Emergency Management Division, DSP will coordinate the response of all Executive Branch Departments and Sub-units to emergency/disaster situations.

APPLICABLE FORMS: None.

PROCEDURES:

- The Governor, on the declaration of an emergency or disaster, may use available resources of the State and may transfer the personnel or functions of Executive Branch Departments and Sub-units to other departments and sub-units as necessary.
- The Director of DSP will implement the orders of the Governor and as directed by the Governor, will assume complete command of all State forces.
- Each Executive Branch Department and Sub-unit will appoint an Emergency Management Liaison to work with the EMD on matters pertaining to mitigation, preparedness, response and recovery.
- For procedures on each agency's response, refer to the Michigan Emergency Management Plan. Copies may be obtained by calling EMD.
